Tagore College of Pharmacy organized CPR awareness program, coordinated by NBEMS & Pharmacy Council of India on 06/12/2023 at 9:30 am. Despite the natural disaster (the Michaung Cyclone) that struck Chennai, our faculty and students were able to participate in the CPR awareness programme via a Google Meet despite having poor net work connectivity. The event focused on imparting vital skills, gaining confidence in responding to cardiac emergencies, early intervention, and community preparedness.
