Principal Message

Dear Parents, Students and Well-wishers of Tagore family

My prayerful greeting to all of you. I am delighted to unleash our Inaugural issue of e-News Letter for a period of January to June 2024 of Tagore College of Pharmacy. First and foremost, I express my deep gratitude to every one of you for your continuous support and concern towards the college which enable us to strive hard to carry forward the mission of spreading value-based education to one and all.

I have spent time with Faculty, Staff members, Students and Alumni over the past few months and each time I have been reminded of this college's reputation and legacy. I have no doubt that our college is headed towards excellence in Pharmaceutical Sciences. Our current priorities will be Academics, Research & Innovation in providing industrial exposure to the student's and placements at reputed pharmaceutical company. These are important strategic areas that we intend to concentrate on with our sophisticated instrument and modern infrastructure and the expertise of our faculty members. By making progress in these areas, we will be able to fulfill our mission of becoming one of the top institutions imparting pharmacy education in India.

I am grateful to the Management for their generous support in establishing the infrastructure and also significant contribution in getting the inaugural issue released. Further, I am thankful to all the Editorial board members for their cooperation in bringing out this first issue of e-Newsletter of Tagore College of Pharmacy.

ONE WEEK INTERNATIONAL

e - FACULTY DEVELOPMENT PROGRAM

**"Unleashing the Potential Advancements in
Pharmaceutical Education & Research"**

► **Date: 29.04.2024 - 04.05.2024**

► **Organizer: Tagore College of Pharmacy, Chennai**

ABOUT FDP

The faculty development program aims to provide learning environment for the pharma faculty members. The purpose of this intensive One Week FDP is to comprehensively discuss the potential advancements in Pharmaceutical Research. The teaching faculty members are expected to have latest professional knowledge of subjects taught, presentation skills, ability to connect with students and deliver course contents well. It will not only promote the professional practices relevant to technical education but also motivates the faculty to achieve competitive teaching and learning environment.
