Name of the event	Bentham Science Training Session
Date & Time	15/07/2026; 02:00 PM – 3:00 PM
Organized by	Tagore College of Pharmacy
No. of Participants	104 students and faculty members of TCP
Chief guest/ Resource Person	Mr. B. Kamal Babu, Product Manager Bentham Science Publishers

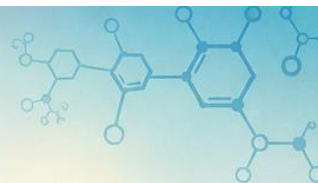

Tagore College of Pharmacy, in collaboration with The Tamil Nadu Dr. M.G.R. Medical University, Guindy, Chennai, successfully organized a Bentham Science Training Session on 15th July 2026 at 2:00 PM in the college seminar hall. The session was conducted to enhance awareness among students and faculty regarding scientific research, scholarly publishing, and the effective utilization of the Bentham Science platform.

The program commenced with a warm welcome to the keynote speaker, Mr. B. Kamal Babu, Product Manager, Bentham Science Publishers. In his insightful presentation, he introduced participants to the Bentham Science publishing platform and highlighted its significant contribution to global scientific research and academic publishing. He explained the importance of quality research dissemination, ethical publication practices, and the opportunities available for researchers to publish in internationally recognized journals.

During the interactive session, participants gained valuable knowledge about manuscript preparation, the journal submission process, editorial standards, peer-review mechanisms, and publication ethics. Mr. Kamal Babu also demonstrated various digital tools and resources provided by Bentham Science that support researchers in improving the quality and visibility of their scientific work. The session motivated students to actively engage in research activities and strengthened their understanding of the publication process.

The event witnessed the enthusiastic participation of around 104 students and faculty members, making it a highly engaging and informative academic program. Participants appreciated the practical insights shared by the resource person and interacted actively during the question-and-answer session.

The Bentham Science Training Session served as an excellent platform to familiarize aspiring researchers with international publishing standards and research opportunities. The program significantly contributed to enhancing the research aptitude of students and faculty, reaffirming Tagore College of Pharmacy's commitment to promoting academic excellence, innovation, and a strong research culture.
