Report

The Introduction of Student Clubs and Club Coordinators for the academic year 2026–2027 was conducted on 17 July 2026 from 2:30 p.m. to 3:15 p.m. The programme was organized under the auspices of the Student Council 2026–2027 with the objective of familiarizing students with the various academic, cultural, creative, and professional development clubs functioning in the institution.

The programme was graced by Dr. R. Seetharaman, Principal, Heads of the Departments, and the Faculty Coordinators of the respective clubs, whose presence encouraged the newly appointed student coordinators and motivated students to actively participate in extracurricular and co-curricular activities.

During the session, each Faculty Coordinator introduced the Student Club Coordinators, following which the student coordinators presented their respective clubs. They highlighted the vision, objectives, planned activities, and opportunities available for students to develop leadership, communication, creativity, teamwork, social responsibility, and professional competencies.

The following clubs were introduced:

- Tamil Club – Promoting Tamil language, literature, cultural heritage, poetry, speech, and literary activities.

- English Literary Club – Encouraging communication skills through debates, creative writing, drama, and poetry.
- Multimedia Club – Focusing on photography, videography, graphic design, editing, and digital creativity.
- Social Media Club – Promoting responsible digital engagement through content creation, awareness campaigns, and institutional outreach.
- Yoga and Wellness Club – Creating awareness on physical fitness, mental well-being, mindfulness, and healthy lifestyle practices.
- Eco-Go Green Club – Encouraging environmental conservation through plantation drives, campus cleanliness, sustainability initiatives, and awareness programmes.
- Fine Arts Club – Providing a platform for students to showcase artistic talents in drawing, painting, craft, and design.
- Cultural and Singing Club – Promoting music, dance, cultural events, and artistic performances.
- Skill Development Club – Enhancing communication, leadership, career readiness, teamwork, and personality development.
- Entrepreneurship Club – Inspiring innovation, start-up culture, networking, and entrepreneurial thinking among students.

The student coordinators enthusiastically explained the proposed calendar of activities for the academic year and invited fellow students to actively participate in club initiatives. The interactive presentations generated considerable interest among the audience and reflected the enthusiasm and commitment of the newly formed student leadership team.

The Principal appreciated the efforts of the faculty coordinators and student coordinators in establishing vibrant student clubs and emphasized that participation in club activities

complements classroom learning by developing leadership, teamwork, creativity, communication, and social responsibility. The Heads of the Departments also encouraged students to make the best use of these platforms for their holistic development.

The programme concluded on a positive note with an appreciation of the coordinated efforts of the Student Council, faculty coordinators, and student coordinators in successfully launching the student club activities for the academic year 2026–2027.
