Report:

Tagore College of Pharmacy, organized a two-day Pharmacovigilance Awareness Session and Hands-on Training in Causality Assessment as part of the 6th National Pharmacovigilance Week 2026, convened by Dr. R. Seetharaman, Principal, Tagore College of Pharmacy. The first session was conducted on 23 September 2026 for 50 B.PT Final Year students of Tagore College of Physiotherapy from 10:30 AM to 12:00 noon, convened by Dr. D. Thiagarajan, Principal, Tagore College of Physiotherapy. The second session was conducted on 24 September 2026 for 90 B. Sc Nursing III Year students of Tagore College of Nursing from 10:00 AM to 11:30 AM, convened by Dr. Jayanthi Mohan, Principal, Tagore College of Nursing. The sessions focused on the importance of pharmacovigilance in promoting safe and rational medicine use, awareness of adverse drug reactions, and the role of healthcare professionals in identifying and reporting medication-related safety concerns. The programme also included hands-on training in causality assessment, enabling the students to apply the basic principles of assessing the relationship between a suspected medicine and an adverse event using clinical case-based examples. Dr. N. Vanitha Rani, Professor, and Dr. V. PoojaShri, Assistant Professor, Department of Pharmacy Practice, Tagore College of Pharmacy, served as the resource persons. The programme provided an interactive learning experience and reinforced the importance of pharmacovigilance, rational medicine use, and patient safety among future healthcare professionals.
