Report

The Pharm D II year students of Tagore College of Pharmacy visited the Sai Mirra Innopharm Private Limited, Chennai, as part of their academic and experiential learning activities. A total of 25 students participated in the visit, accompanied by Ms. I Akila, Associate Professor, Dept. of Pharmaceutics, Tagore College of Pharmacy.

The visit provided students with valuable insights into pharmaceutical manufacturing processes, quality control and quality assurance practices, production operations, and regulatory compliance. The students gained practical exposure to various stages of pharmaceutical manufacturing and understood the importance of maintaining Good Manufacturing Practices (GMP) and quality standards in the pharmaceutical industry. The visit also helped bridge the gap between theoretical knowledge and industrial practices, enhancing their understanding of pharmaceutical operations and career opportunities in the industry. The visit was informative and beneficial, providing students with an opportunity to interact with industry professionals and gain valuable practical knowledge.
