Report:

The Department of Pharmacology, Tagore College of Pharmacy, organized a Continuing Pharmacy Education (CPE) Programme on 18th November 2026, featuring a guest lecture on "OECD Guidelines and Preclinical Screening Techniques." The session was delivered by Dr. V. Chitra, Dean, SRM College of Pharmacy, SRM Institute of Science and Technology, Chennai.

The programme commenced with a welcome address by Mr. M. Sivasankar, Associate Professor, Tagore College of Pharmacy. The guest lecture provided valuable insights into the OECD guidelines, their significance in ensuring the standardization and reliability of preclinical studies, and the various techniques employed in preclinical screening. The session highlighted the importance of understanding regulatory guidelines, experimental approaches and safety assessment procedures in the evaluation of potential drug candidates.

The lecture offered students and faculty members an opportunity to gain deeper insights into the regulatory and scientific aspects of preclinical research. An interactive discussion followed the session, during which participants had the opportunity to clarify their queries and engage with the resource person on relevant aspects of preclinical screening and research practices. The programme concluded with a vote of thanks and Dr. R. Seetharaman, Principal and Convenor of the programme presented the certificate of appreciation to the guest speaker. The event was hosted by Mr. P. Chandaraa Kumar, Assistant Professor, Department of Pharmacology. Around 51 B. Pharm VII semester students and 9 faculty members were benefitted.
